

November Newsletter

Facility Updates

In an effort to be more transparent, Canal View will occasionally share facility policies, as a review to our residents and their DPOA/Guardian. This month we are focusing on Residents' Rights and the Grievance Process. If there is something specific that you would like to review, please notify Alisha Davis, Activity Director. Additional information regarding Residents' Rights and the Grievance Process can be found on the first floor corridor across from the salon and library.
