## **Assistant Director of Nursing Named**

### **HANCOCK, Mich. – Canal View announces new Director of Nursing**

Canal View is pleased to announce that Jodi Nuttall has accepted the position of Assistant Director of Nursing for Canal View – Houghton County. Nuttall has worked at Canal View for the past 25 years in various positions within the facility.

Nuttall worked as a home health CENA/swim instructor while going to Finlandia University and attaining her RN degree. Nuttall was a float staff nurse with a part time position in Woodland Haven when the Resident Care Coordinator/MDS position became available on 2<sup>nd</sup> floor of Canal View she moved to that position and has held that position since 2006.

Nuttall states, “Being in one place for a long period of time has allowed me to establish trusting relationships with residents, family and staff throughout the years. I enjoy assisting fellow coworkers regardless the department. I am excited to begin working as the Assistant Director of Nursing and utilizing the interpersonal skills and knowledge of the facility I have gained through my previous positions to assist with problem solving challenges as well as developing new skills and relations.”
